Making Connexions supports people who are lonely or isolated. We use a motorhome (nicknamed "Elmer") to reach out to people in Rugby, providing hospitality, community information, surplus food and opportunities to explore faith.

Our supporters include:
Warwickshire County Council, Warwickshire Police Crime Commissioner and Newbold-on-Avon Community Partnership.

The Chapel Newbold is based about 100m up the road from the Co-op. Our vision is "Growing Loving Community". We do this by providing a range of community activities including cafe and food pantry, along with opportunities to explore what it means to be Church in Newbold.

Due to COVID-19 we have had to close the building and are working alongside Making Connexions to provide support in the community.
